INTERNATIONAL ECUMENICAL FELLOWSHIP

The International Ecumenical Fellowship (IEF) is to hold its 46th International Conference from 25th July to 1st August at Hope University in Liverpool. The theme of this year's Conference is "I will heal my people" (Jer.33:6) - Together in hope, prayer and action for a renewed world'.

We welcome participants who want to attend the Conference on a daily basis, rather than being residential. They are welcome to join the Conference on one or more days between Tuesday 26th and Sunday 31st July. This will include lunch and dinner and attendance at all events on the programme during the chosen day(s).

The Conference will focus on the idea of Encounter and will include visits to many exciting venues where we will witness projects of hope and social justice being undertaken by local churches and other groups working together in this exciting and vibrant city. It will reflect the progress made in recent years between members of many different churches in Liverpool and will be a real opportunity to see and experience hope, faith and collaborative work in action. The Conference will also provide the truly enriching experience of meeting with fellow Christians from many different countries across Europe and beyond.

IEF was founded in 1967 by ecumenically concerned Christians from across Europe. It now has a presence in many countries, with both lay and ordained members and people from every denomination and none.

For further information, please see our website <http://briefoecumenica.uk/> or send an email to iefLiverpool22@gmail.com for further information on the Conference, including how to register and the price.

The closing date for registrations is Saturday 30th April (although late applications will be considered).

COMMISSION ON DIALOGUE AND UNITY

ACCOMPANYING RAMADAN

<http://www.liverpoolcatholic.org.uk/dialogue-unity>

Ramadan, the ninth month of the year according to the lunar calendar followed by Muslims, is expected to start on 2 April. It is a holy month, marked especially by a fast each day during the hours of light. This way of fasting sets Muslims apart from others.

In the southern Philippines, on the island of Mindano which has a large Muslim population, the Christians devised a programme which they called *Duyog Ramadan*, "Accompanying Ramadan". The idea was taken from music. When people sing, they are often accompanied by someone playing the guitar. The guitarist doesn't necessarily sing, but he or she backs up the singers by strumming. In a similar way Christians, who are not observing Ramadan, can accompany the Muslims who are doing so.

In 2020, the priests and people of St Vincent de Paul parish, in Liverpool 1, decided to do just this. They wished to accompany their Muslim brothers and sisters, especially by their prayers. In order to sustain this effort some information about Ramadan, or about Islam in general, was provided every day on the parish Facebook account. It is these daily posts that have been collected in the **booklet presented here**.

Each post is in two parts. There is first some brief **information** about some aspect of Islam; this is followed by a multiple-answer **question**. The answer to this question is given after the next post.

'Talking, Listening, Responding: the call to be a synodal church'

Wednesday 3rd August – Saturday 6th August 2022
Belsey Bridge Conference Centre, Ditchingham, Suffolk

<https://www.ssg.org.uk/summer-school-2022/>

Director of Liturgy: Canon Patrick Hartnett

Director of Music: Paul Wellicome

Accompanist: Stephen Maltby

Across the world, dioceses have been engaging in a process of consultation and listening in preparation for the celebration of the XVI Ordinary General Assembly of the Synod of Bishops in October 2023. The process is challenging.

"A synodal church is a listening church, aware that listening is more than hearing. It is a reciprocal listening in which each one has something to learn." Pope Francis, 17 Oct 2021

What does a synodal Church look like? What changes do we need to make in our own lives and in our communities to shape a Church that is open to journeying together with others? Are we really a listening Church or a Church that just hears? Our Summer School will explore and consider ways of responding to the Pope's call to build synodal communities in our own parishes from the perspective of liturgy and music.

An immersive event exploring the art of accompaniment

Join us for this interactive event, exploring the vision of a Church that walks together and accompanies people in life and faith. We'll consider how deepening our existing practice of accompaniment will help our Catholic community be recognised as relevant and impactful, and how it will offer us all hope for growth.

Give it a try in a carousel of enriching workshops. Everyone will be given a resource pack to take away and use in schools, parishes, local communities and families.

We invite you to attend with a partner, to accompany one another throughout the day (if you are coming alone, let us know and we'll pair you up with someone).

Tea, coffee and lunch will be provided.

To register, email your name, parish and which event you will be attending to registration@rcaol.org.uk by 6 March for in person events and 25 April for the Zoom event.
