FRIDAY 9TH DECEMBER

## Harry, Meghan, Netflix and the Sermon on the Mount

I have to confess that Prince Harry is the one member of the Royal family who's succeeded in getting under my skin. It's been pretty easy to dismiss the other members of this sadly dysfunctional family as remnants of an historic and unnecessarily expensive oligarchy that has little place or purpose in a modern democracy. Oddly, for a dynasty that has a dark history of persecuting Catholics, and that still supports legal discriminations against us, there remains an inexplicable deference ...
