I hope you had a wonderful Christmas and a

joyous New Year!

All of us here in the Friends of the Holy Land office wanted to take a moment to thank each and every one of you who supported our Christmas Appeal. Your incredible generosity meant that we raised just over £100,000! The funds will go a long way in helping us continue to support vulnerable Christians in the Holy Land. We were blessed that many brothers and sisters were willing to share their stories with us for the 12 Days of Christmas Campaign. We have continued on with that theme in this month's newsletter and included many personal stories and updates from the Holy Land.

All of the work we do is only possible with your continued help. As a charity we have minimal reserves to maintain our programs, so we begin our fundraising plan for 2023 from scratch, as we do every year; the only certain income being from donors who generously provide a regular gift. Would you consider joining them by establishing a [regular gift](#)? No matter the size, regular gifts over time help to ensure the future of our projects and provide certainty of ongoing help for vulnerable Christians in the Holy Land.

I have just returned from a two week visit to the Holy Land and have seen that conditions of employment and general living remain difficult and, if anything, are deteriorating due to the actions and policies of both governments. As we look ahead to 2023 my prayer would be that we as a community rally around our brothers and sisters in the Holy Land. The cost of living crisis is a world wide crisis and is felt in a particular way by our fellow Christians in the Holy Land. Our support of them is incredibly important, I would even say vital. The Holy Land is the birthplace of our faith. As we set out on another year, may we never forget those brothers and sisters who carry on the faith in the birthplace of Christ. Please continue to
